

Meet YOUR TEACHER

MR. MARKWORTH

Middle School Math & History

Welcome to Middle School! My goal this year is strengthen our students' minds with God's creation, along with getting Christ from their hearts into their souls. Mark 12:30 reminds us to, "Love the Lord your God with all your heart, and with all your soul, and with all your mind, and with all your strength." Now let's see how we can grow, serve, and share Christ together!

My name is Doug Markworth, & this will be my 44th year teaching...& also the number of years I've been married to my wife, Joanne. I hold a BS in Elementary Education from Concordia Teachers College in Seward, NE, with an emphasis in, Theology & Mathematics, & a Masters in Elementary Administration. I began my teaching career in Hannibal, MO, teaching 3/4th grade. In 1994, I moved to Chicago to serve as the principal at St. John's Lutheran School. Over the years, I have also had the opportunity to serve as the lead Mathematics teacher at Luther High School North, where I restarted a Woodworking course, an Electronics course & served as the Drama advisor. For the last few years, I have been blessed to serve at Grace Lutheran School as both a Math teacher & principal.
