

Meet the **TEACHER**

Mrs. Schau

3rd & 4th Grade

Welcome! I am so excited to have you in our class this school year and cannot wait to meet you. Third and fourth grade is an exciting time for learning and I love to make it fun. In my class, you never know what I have in store next!

About Me

My name is Kelley Schau and this will be my 11th year at St. Philip. I hold a Bachelor's degree in Sociology from Concordia University, River Forest and received my Elementary Teaching certification from Northeastern IL. University. My husband Matthew, a Dean of Sciences at North Park University, and I have been married for 24 years and have two daughters. Emily, a senior, and Hannah, a freshman, are both St. Philip graduates & now attend Niles North High School. I have a passion for music and love teaching writing to my students. Something you may not know about me? I'm afraid of heights...Yikes!
