

Meet the **TEACHER**

Mrs Miller

Preschool Teacher Assistant

Hello! I am so excited for the extra special year we have planned in preschool. There are new things to learn, friendships to make, and lots of FUN in store! I hope you all are ready to grow with us at St. Philip!

About Me

My name is Cynthia Miller, and I am thrilled to be back at St. Philip for the 21/22 school year. I attended St. Philip as a child, was married at St. Philip, & sent my daughter to the St. Philip preschool program. After graduating from Luther North High School, I attended Concordia University, River Forest & Northwestern Business College. My husband, Russell, teenage daughter, Layla & I are all born & raised in Chicago & we LOVE to cheer on our home teams...especially the Bears! A few notable things about me...I love fishing & may or may not have a few fish tales to tell. Another Mrs. Miller fact is that my sister, my brother, & my mother have all worked at St. Philip. I guess you could say we are Vikings through & through!
